- High ratings
- Great culture fit
- Good value for cost

How many teammates from Ajroni Enterprises Inc. were assigned to this project?

2-5 Employees

Describe the scope of work in detail. Please include a summary of key deliverables.

We asked Lirim and his team to create a new website for BraveAssist. We provided a bit of insight into what we wanted and allowed for his team to use their creativity.

The scope of the project was,

A homepage with ecommerce capabilities

The regular pages like About, Why us, Contact, Blog etc.

Design & development work on everything

## The Outcome

What were the measurable outcomes from the project that demonstrate progress or success?

Really good work. All of us are super pleased with the design work, implementation and after-care.

So much so, we are hiring them straight away for another project.

Describe their project management. Did they deliver items on time? How did they respond to your needs?

Response was excellent, everything was done within the promised timelines, asked the right questions and have the skill to do what was needed.

What was your primary form of communication with Ajroni Enterprises Inc.?

- Virtual Meeting
- Email or Messaging App

What did you find most impressive or unique about this company?

We appreciated their easy communication, self-reliance, and proactivity.

Are there any areas for improvement or something Ajroni Enterprises Inc. could have done differently?

None that I can think off.
